The Student Association

The present Student Association was organized in 1922 on a plan presented to the school by the principal, Mr. Royal B. Farnum. While it is not precisely a student government, the Association has many of the functions of such an organization and is an integral factor in student life. It is primarily an agency for the promotion and supervision of social life and extra-curricular activities, and it has sole control of the financial affairs involved in student enterprises.

The political structure of the Association consists of two inter-related units; the Council of the whole, and the Advisory Board. The Council of the whole is the entire membership of the Association, which includes every student in the school. The legislative power is vested in this Council, and it must pass on all amendments to the Association's constitution and may make decisions on important questions affecting the policy of the Association. The executive power is possessed by the Advisory Board. This Board includes the Association officers, the class presidents, the heads of the various student organizations, and a faculty committee. It has the general direction of all student activities.

One of the most important duties of the Association is the administration of finances for the various school organizations. The funds received annually from the collection of membership fees is budgeted among the different classes and clubs. Each organiza-

tion is credited with a specified sum and its expenses are paid from this amount by the Association treasurer as requested by the organization's treasurer. This method centralizes responsibility and simplifies business relations between school organizations and outside concerns.

Privileges of S. A. Membership

In return for your membership fee you are entitled to the following:

1. Copy of the Year Book.
2. Admission to the Smock Day dance.
3. Admission to the Christmas spread and dance.
4. Permission to enter Exhibition subject to rules.
5. Admission to the annual S. A. picnic.
6. Reduced rates at performances of the Mascart Theatre.
7. Reduced ticket prices at your own class dance.

The Handbook

The combination of the factors, Dorothy Babcock, Carolyn Sykora, and Frank Devecis, Editor, plus those hapless wanderers of the corridors whom we were able to ensnare, and assisted by the able goadings of the Student Association President, results in this handbook.

Alma Mater

School of Art, thy sons and daughters
  Gathering now, from far and near,
Render thus with song of gladness
  Tribute to thy name most dear.
Hopeful! joyous! we assemble
  Seeking Truth as our reward.
Thou dost mark each hidden talent,
  Nurture well each gift of God.

Here 'mid sweet association
  We have sought to understand
Beauty's place in God's creation,
  Nature's choicest gift to man.
Errant brush and faltering pencil
  Trained, will lead to richer life;
Character, like clay, is moulded
  Only thus through wholesome strife.

Daughter, loved of State and Nation,
  May our faith in thee abide.
May thy noble inspiration
  Be for evermore our guide.
Till we bear thy precious story
  O'er our land from East to West
Consecrating to thy glory
  Heart and hand in Service blest.

M. S. A. Creed

I believe in Art as a great uplifting force to humanity and as a medium through which the finest human emotions are expressed. As a student of Art, I have faith in Art and in its universal appeal to mankind. I will try, in my study of Art, to spread a love for truth and beauty so that others may know and experience for themselves this creative force in their lives.

The artist, in order to achieve, must master not only his technique, but must also express order, harmony, and loyalty. These qualities I realize I must develop in my school years if I would be equipped for my life work.

This is my school. So that it may offer to all equal opportunity and freedom for creative work

I will keep its rules.

I will uphold its standards and support its policies.

I will promote and protect its ideals.

I will be loyal to my own talent and to the talents of my fellow students.

MASSACHUSETTS SCHOOL OF ART SUPPLY STORE

The store is operated by the school, for the benefit and convenience of the students. We try to keep our prices approximately equal to those which students would have to pay at the commercial retail stores of the city. If any student believes that our prices are excessive we would appreciate it if he would tell us, and we welcome suggestions for better service. The limited profits are used as Student Aid loans and to provide cultural opportunities for the Student Body
